

THE PORT OF PALM BEACH DISTRICT (“DISTRICT”) WILL HOLD A PUBLIC HEARING on Thursday, August 5, 2010 at 4:00 p.m. at 1 East 11th Street, 6th Floor, Riviera Beach, FL. This Public Hearing is being held to discuss proposed rate revisions/modifications, deletions and additions to the District’s Tariff. The title of the revised Tariff will be “Tariff 18”. The District has the authority to adopt these proposed Tariff revisions/modifications, additions and deletions, pursuant to its Charter. The purpose of the deletions, revisions/modifications is to update the District’s Tariff and to add for-hire vehicle permits, lien and lien enforcement provisions. Beginning March 17, 2010 a multi-day cruise operator began service from the Port of Palm Beach. The for-hire vehicle permits are necessary to offset the costs associated with this type of operation. Deletions have been made to obsolete items under the Definitions section and additional minor revisions/modifications will assist the District in offsetting expenses related to port operations. These proposed tariff additions, modifications/revisions will apply to current and future users of the District, and are expected to result in approximately \$500,000 in additional funds for the District. The District does not anticipate any additional costs associated with the implementation or enforcement of the proposed tariff revisions. All affected persons shall have the right to make an oral statement, present evidence and give other information at the hearing. A copy of the descriptions of the proposed revisions/modifications and additions is available, upon request, at the District’s Administration offices located at 1 East 11th Street, Suite 600, Riviera Beach, FL 33404.
