Chair Joseph Anderson and Commissioners
Port of Palm Beach
One East 11th Street
Suite 600
Riviera Beach, FL 33404

Dear Chair Anderson and Port Commissioners,

This past legislative session I had the privilege of working in Tallahassee on behalf of the Port of Palm Beach to pass HB 915, which was signed, into law on July 6, 2021.

As I am sure you know, this was not the first year that we worked together to pass this local bill. And, like most pieces of legislation in Tallahassee, there were speed bumps along the way. Nonetheless, working alongside your team, we were actively able to ensure wide-ranging support for this legislation by explaining to the Legislature the unique and vital role the Port of Palm Beach has for Palm Beach County and the entire state of Florida.

It is my honor to be able to provide the commission a copy of HB 915 signed by Governor Ron DeSantis.

Regards,

A handwritten signature in blue ink, appearing to read "Matt Willhite".
